

Welcome to the Little Lynx Playschool!

The Little Lynx Playschool provides a positive learning opportunity for children ages 2 ½ - 5 years. Our program, led by Family Studies teachers and students, fosters learning in a safe and supportive environment. Our fun-filled routine engages children in various activities, including cooperative play, story time, arts and crafts, music and much more!

At the Little Lynx Playschool we are committed to offering small class sizes with one-on-one attention. Each child is paired with a “big buddy”, a Family Studies student in grade 9, 11 or 12. This partnership provides a valuable learning experience for both the children and secondary school students.
