

Stephen Lewis Code of Conduct

Our Commitment

Stephen Lewis Secondary School recognizes that students achieve their best when they feel safe, nurtured, welcomed, respected and included. We are committed to providing a healthy learning and working environment that supports student success by promoting responsibility, respect, civility, academic excellence and good citizenship. For learning to be successful, schools must be free of negative factors such as bullying, discrimination, intimidation, hateful words and actions, as well as physical violence in any form.

We believe that parents, the school and community must all work together to help students learn to become responsible members of society, being sensitive to the diversity, cultural and special needs of individual students. We must clearly demonstrate respect for social justice and human rights, and promote the values needed to develop responsible members of a democratic society.

Our Code of Conduct

The Stephen Lewis Secondary School Code of Conduct applies to all members of the school community including students, parents, guardians, volunteers, visitors and school staff, whether they are on school property, on school buses, at school-authorized events or activities, or in any other situation that may impact the school climate.

Bullying Prevention and Intervention

We are teaching students to identify bullying behaviour and giving them strategies to deal with, and stop it from happening.

Bullying is typically a form of repeated, persistent and aggressive behaviour directed at an individual or individuals that is intended to cause (or should be known to cause) fear, distress and/or harm to another person's body, feelings, self-esteem or reputation. Bullying occurs in a context where there is a real or perceived power imbalance.

When someone experiences or observes bullying behaviour, he/she is expected to report it to a teacher, teaching assistant or school administrator immediately. Bullying behaviour will be dealt with using a progressive discipline approach.

Progressive Discipline

Stephen Lewis Secondary School encourages, supports and recognizes acceptable behaviour in our students through a variety of positive practices. Progressive discipline is an approach that makes use of a continuum of interventions, supports and consequences, building upon strategies that promote positive behaviours.

We encourage students to take responsibility for their behaviour and to accept the consequences of their actions. A progressive discipline approach will be used to deal with inappropriate behaviour. This may include: oral reminders, review of expectations, contact with parent(s)/guardian(s), written reflection, volunteer services to the school community, conflict mediation and resolution, peer mentoring, and/or referral for support services.

We recognize that each student is a unique individual and that every situation that requires disciplinary action has its own set of extenuating circumstances. All factors that may have affected the student's behaviour will be considered before progressive discipline is applied. Students who behave inappropriately will receive an age and developmentally appropriate consequence. For a student with special education or disability-related needs, all progressive discipline approaches will be consistent with his/her Individual Education Plan and his/her demonstrated abilities.

Suspension and Expulsion

Stephen Lewis Secondary School also supports the use of suspension and expulsion for serious incidents as outlined in the Peel District School Board's Safe Schools Policy.

Before considering whether to impose a suspension or make a recommendation for an expulsion, a principal must consider mitigating and other factors.

The behaviours for which a principal may consider suspending a student include:

- swearing (written or verbal) at a teacher or at another person in a position of authority
- bullying
- uttering a threat to inflict serious bodily harm on another person
- damaging or destroying school property
- possessing alcohol or restricted drugs
- being under the influence of alcohol
- committing any act, considered by the principal to:
 - have a negative impact on the moral tone of the school
 - have a negative impact on the physical or mental well-being of one or more school community members
 - be contrary to the school or Peel Board Codes of Conduct

Incidents for which a principal will consider recommending to the board's Discipline Committee that a student be expelled include:

- physically assaulting another person causing bodily harm that requires medical treatment
- possessing a weapon or using a weapon to threaten or frighten another person
- trafficking in restricted drugs or weapons
- giving alcohol to a minor
- committing robbery
- committing sexual assault
- behaviour that:
 - is significantly detrimental to the school climate and/or to the physical or mental well-being of others
 - causes extensive damage to school property
 - causes his/her continued presence at the school to pose an unacceptable risk to other members of the school community
 - a pattern of behaviour so inappropriate that the student's continued presence is detrimental to the effective learning or working environment of others
 - demonstrates a persistent resistance to changes in behaviour that would enable him/her to be successful
 - is a serious violation of the school or Peel Board Codes of Conduct

Students who are suspended or expelled will be given an opportunity to continue their education through educational programs offered by the school board.

The school recognizes the benefits of a smoke-free environment for all persons. By law, smoking is not permitted at Stephen Lewis Secondary School, on any other board property, on school buses or while attending any school-related event or activity. School property includes cars that are on school grounds and all lands to the edge of the sidewalk or street. The no smoking rule will be enforced within these areas.

Providing tobacco products to anyone under 19 years of age is illegal.

Possessing, using, trafficking in, or providing others with restricted drugs and/or alcohol will not be condoned at Stephen Lewis Secondary School on Peel Board property or at any school-related event or activity at any time. Drug-related paraphernalia that can be used for substance abuse are not permitted on school property.
