

Lynx to Literacy

Stephen Lewis program offers students
the **RIGHT TO PLAY**

On **Thursday, March 11, 2010**, Stephen Lewis Secondary School's *Counting On You* students will host incoming Grade 8 students from Ruth Thompson and Erin Center Middle School for the day. As future students of Stephen Lewis, these fortunate eighth graders will get a tour of the school, lunch in the cafeteria, participate in several games, as well as receive information on how to access the various support systems offered to all Stephen Lewis students.

The day will culminate with a basketball game between the Lynx Senior Athletes and players from the **Toronto Argonauts**.

In true Stephen Lewis spirit, the day will focus on the school's commitment to social justice as the students will be introduced to the school's pledge to support **RIGHT TO PLAY**.
